Additional Information

For minimum order quantities, please contact our local office. To access the test data of each reference, please refer to the technical specification documents located in each SKU.

Overview

Key Features

The polytril™ line features seamless and lightweight polyamide liners with nitrile / nitrile foam coating.

COMFORT

The tight knit gives the glove perfect support, limits the penetration of dirt and offers a good dexterity. Non pilling, the polyamide is suitable for precision work. The ventilated back improves the glove's breathability.

RESISTANCE

The nitrile coating provides outstanding abrasion resistance and impermeability to oils.

HYGIENE

The black coating makes the gloves more soilproof, thus increasing its last.

Recommended Industries/Use

- Agriculture
- Construction
- Manufacturing
- Mining
- Municipal Services
- Oil and Gas
- Steel and Metals
- Transportation
- Wind Energy

Hazards

- Abrasion
- Extreme Environment
- Slip
