

Datasheet

Telemast Laser

RS Stock number [764-6357](#)

Features

- Measures distance up to 165 ft. with up to 1/16 In. accuracy
- Five measurement modes - length, area, volume, continuous measurement and indirect length for maximum versatility
- Automatic back-lit display - for easy and convenient viewing
- Three measuring reference points - front, back, or centre for use with optional tripod

Specification

- Battery: 2 AAA Batteries
- Degree of Protection: IP54
- Laser: Diode Class II 635 nm, = 1 mW
- Length: 4.5"
- Measuring Accuracy: Typ. +/-1/16-in (1.5 mm)
- Range: 2-in. to 165-ft (0.05 - 50 m)
- Warranty: Limited 2 Year
- Weight: 0.3 lb
