ENGLISH

RS PRO Cable Marking Kit, 3.5 to 8mm²

Description

This kit contains 2700 high quality flexible PVC cable markers supplied in a compartmented box. The design allows each marker to slide on, grip cable firmly and fit various cable diameters. The markers stay attached on a roller and can be despatched easily when needed. Bold print on coloured body to show your codes clearly. Any sequence can be composed by arranging letters and numbers accordingly.

Features

Material: Made of finest soft grade, strong, durable PVC that will resist oil, grease, and abrasion. Maximum operating temperature: 85°C
