RS Pro Storage Trunk, 196 x 492 x 275mm

Product Details

Storage Trunk

Trunk suitable for storing a wide variety of items: tools, protective clothing, bulky items of equipment etc.

Has two integral side handles for easy carrying of even the heaviest loads

6 lugs on the bottom of the case prevent over-rapid wear. These lugs can lodge in cavities in the lid of another case, for stable stacking of several cases one on top of the other

Made from beige copolymer polypropylene giving high resistance to shock and chemical agents. The material is also food-safe and fully recyclable

Fastening catches resistant to over 100000 operations
