

Datasheet

Stock No: 1241081

RS Pro NTC Probe, 1.5m cable

At a glance

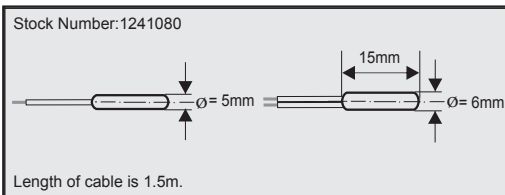

- Air probe, thermoplastic shell, 1.5m thermoplastic cable.
- Air probe, plastic shell, 1.5m PVC cable.
- Liquid probe, stainless steel shell, 1.5m silicone cable.
- Air probe, stainless steel shell, 1.5m silicone cable

Overview

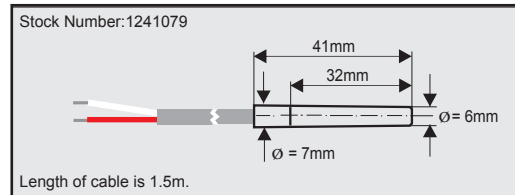

NTC probes are used for temperature measurement with thermostats.
