## RS Pro Self-Centring Metric Kit Nitrile, Kit Contents 125 Pieces

RS Stock No: **705-8964**

### Product Details

RS Pro self-centring metric kit has nitrile rubber construction for durability. The centring feature of the seals in this kit is a thin membrane, the ID of which equals the core diameter of the locating thread. It offers low assembly resistance to ensure a central location of the seal. It includes 125 pieces.

### Features and Benefits

- Nitrile rubber (NBR) bonded to zinc plated mild steel
- Offers low assembly resistance to ensure a central location of the seal
- 125 bonded seals in metric sizes from M8 to M24
